

POST BILL PASSES!!!

The Indiana legislature passed HB 1182 in April with the final approval coming on April 26, 2013 ([link to view HB 1182](#)). Governor Pence signed the bill on May 7, 2013. The Indiana Elder Law Section and Aging and In-Home Services will be presenting seminars in all counties in Northeast Indiana to discuss advance directives and the POST law. We will add the dates and times of these seminars to our website as these seminars are scheduled.

Please let us know if you have a group that would be interested in a presentation about how this important new legislation will impact medical decisions made in Indiana.

A special thank you to our local legislators; Senator Travis Holdman; Representative Matt Lehman; and Representative Dan Leonard for their support of this important new law.
